A4 budget. A3 output.

More print, scan, copy and fax for your money

The ES8460 MFP defies financial and space constraints by making compact and affordable colour multifunctionality available to all workgroups and small businesses.

The ES8460 MFP easily handles all your A4 and A3 needs and delivers print, copy, scan and fax functions in a compact footprint that will not use up your budget or your floor space.

Available in desktop or floor standing configurations and with a choice of paper handling options, the ES8460 MFP will enhance output efficiency for workgroups and small businesses, delivering all the benefits of full colour output together with flexible scanning and traditional fax capability.

The flexible paper handling and compact size of the ES8640 MFP allows you to increase output efficiency by providing a variety of deployment strategies that will best meet the requirements of your business.

And the impeccable credentials don't stop there; ease of use and network integration further enhance the ES8460 MFP.

The ES8460 MFP - only from OKI Printing Solutions.

Key Features and Benefits

Print, Scan, Copy, Fax

4 in 1 functionality at your fingertips

A combination of A4 print speeds (up to 26ppm colour & 34ppm mono), 1200 x 600 dpi resolution and ProQ2400 Multi-level print technology ensures that the ES8460 MFP delivers outstanding results without compromise.

The ES8460 MFP also offers a fully-featured ITU-T G3 standard fax capability and a full array of scan facilities enabling you to scan to folder, e-mail, FTP, HTTP or USB Memory.

The standard 50-sheet reversing automatic document feeder ensures scanned jobs are handled swiftly whilst the 14.5 cm LCD touch-screen operator panel simplifies user interaction and increases business efficiency at the touch of a button.

Security

Smart data protection

Get complete peace of mind with the enhanced security features of the ES8460 MFP. For absolute control and to ensure confidentiality is maintained where appropriate, print jobs can be subjected to 256bit job encryption.

Add to this Secure Print, Secure Erase and the ability to restrict unnecessary usage, you can be assured that your data and your investment are protected.

Size

Ultra compact A4 and A3 MFP

The ES8460 MFP is an ultra compact multifunction product offering all the flexibility and benefits of A3 printing in a footprint similar to an A4 MFP for workgroups or small businesses. Since office space is usually at a premium, that's a big advantage. The ES8460 MFP sits comfortably on or next to any desk and is so affordable that you can print, scan, copy and fax without breaking your budget.

Ease of use

Stylish design & functionality

The clear, intuitive touch-screen reduces the number of user interactions required to control advanced functionality, making even the most complex tasks fast and easy. Being closer to the desktop, the device improves productivity and instills an increased level of confidence. Functions such as job interrupt allow you to prioritise your workload and gives access to functions such as scan, copy or fax for urgent requirements.

Media Flexibility

Unleash your creative side

The ES8460 MFP takes care of the day-to-day requirements in a high-performance multi functional device. The flexibility of formats allows you to print posters, charts or booklets, while the software included in the machine enables you to create everything from business cards and CD labels to banners at a click of the mouse. Standard double-sided printing is included in all models, reducing paper use and saving costs.
